Certified Green Built- Silver Level, energy efficient home in the heart of beautiful Asheville. This 2015 Craftsman style home was built with integrity and an eye towards detail. Located in the local historic district called St. Dunstons this 3 bedroom 2.5 bath home has hardwood floors, tiled baths, a chef's kitchen, large owners' suite, private alley to driveway parking, wood burning fireplace, office, mudroom and an open floor plan. This is everything modern with the charm of yesteryear. The home sits on .19 acres and has raised beds, a patio draped with wisteria, terraced landscaping and is fully fenced. Sit on the covered porch or dine al fresco in the lovely Asheville evening air.
